Welcome, Anteater!

Dear Student:

Welcome to the University of California, Irvine Division of Continuing Education (DCE)!

On behalf of our staff, we are pleased that you have chosen to study with UC Irvine and feel confident that your time will be academically rewarding as well as personally and culturally enriching as you engage with other students from around the world.

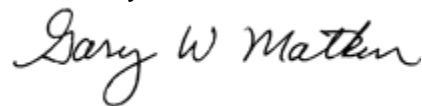

Due to the unique circumstances we currently find ourselves in, we have had to adapt to prevent further spread of the Novel Coronavirus (COVID-19). In compliance with university and government guidelines, most of our social and educational activities have transitioned online to encourage the principle of social distancing and protect our students, faculty, staff, and the greater UCI community. We will continue to offer you support and opportunities to supplement your UCI DCE experience throughout this time.

This student handbook has been prepared to help you succeed while studying with us. Please read it carefully, since it will answer many of your questions and give you important academic, legal, cultural, and practical information. Your health and safety is our primary concern, but we need your cooperation in following rules and best practices.

If you have any questions that are not answered in the handbook, please feel free to reach out to any of our student support staff. We all want your experience to be as rewarding and enjoyable as possible and we will make every effort to help you adjust to your new program.

Again, we welcome you to UC Irvine and are glad to have you with us!

Sincerely,

Gary W. Matkin
Dean

Level	9:00-10:20	10:30-11:50	12:00-12:50
Fundamentals Levels 1-5	Speaking/ Listening	Grammar/ Writing	Reading/Vocabulary
Levels 6-7	Speaking/ Listening	Reading/ Writing	Elective Course (Mondays, Wednesdays, Fridays)

Notes about Attendance

Even though courses are being taught online this quarter, we **will** mark attendance. For students on an F-1 visa, we are required to mark attendance for you daily. This means that you must participate in each of your courses every day during the scheduled course time.

- We are VERY SERIOUS about attendance to follow US government policy!
- Following our attendance policies will help you improve your English more quickly and avoid problems with your student visa.
- If you have attendance questions, please email ESL-Attendance@ce.uci.edu
- Log in to your course before class begins and stay until the end of class.
- Keep a record of your own absences.
- Email ESL-Attendance@ce.uci.edu to get an exact count of your absences.

Attendance Policies

Students can be absent a maximum of 39 hours per quarter. Attendance includes daily participation in the course. If you do not participate, you will be marked absent.

If you are absent:

- 15 hours, you will receive a Warning letter and email.
- 25 hours, you will receive a Final Warning letter and email and are required to speak with an academic advisor.
- 40 hours, you will receive a Dismissal letter and email and you must leave the program.

Advice for Success

How to be successful in our program:

- 1) Be logged in to your Canvas course and ready to work before class begins. If possible, please use a laptop or computer (not phone) so that you can fully participate in each course.
- 2) Please turn on your camera for each Zoom session. Teachers need to confirm you are attending class and your classmates want to see you. Being able to see each other during a live Zoom session makes class more enjoyable and productive.
- 3) Find a quiet place to work. You will need to speak with your classmates and instructor during synchronous (live) sessions.
- 4) Have all class-related materials ready before class begins (including textbooks, notebooks, dictionaries, pens/pencils, erasers, and any additional materials).
- 5) Remain in class until you are excused by your instructor.
- 6) Pay attention at all times. Listen to your instructor and follow directions.
- 7) If you have a question or comment in class, please alert your instructor and wait for your instructor to call on you.
- 8) Speak only at your instructor's request. Do not chat on the side. This is disrespectful and distracting to other students.
- 9) Use only English in class discussions and chats. Do not speak your native language unless you have permission from your instructor.
- 10) Take tests and quizzes at the time they are scheduled by the instructor (each instructor may or may not permit make-up exams).
- 11) Complete all of your homework before class starts. Be ready to show or submit your homework to your instructor at the beginning of class.
- 12) Do all of your own work on tests and homework. Do not copy your classmates' papers.
- 13) Never screenshot or take pictures of tests or exams. This is considered cheating.
- 14) Schedule an appointment with your instructor during her/his office hours to ask extra questions or receive extra help.
- 15) Have fun and make friends! Chat with your friends outside of the class in English! Connect with Student Life & Activities for opportunities to practice English!

Overview of Immigration Regulations

To maintain F-1 (student) status in the United States, you must fulfill the following requirements:

- Maintain full-time enrollment and make progress toward completion of your program
- Regularly attend class at all times and do not exceed maximum allowable absence hours
- Provide your California address within 10 days of your arrival into the U.S.
- Notify an Advisor of any change of address within 10 days of your move to a new address in the U.S.
- Request a program extension BEFORE the expiration date of your I-20 if you need more time to complete your program
- Follow regulations for travel outside of the United States and keep your passport valid at all times for at least 6 months into the future
- Do NOT accept off-campus employment
- Notify an Advisor of your intent to transfer to another school BEFORE the end of your current program
- Leave the United States or transfer to another school within 60 calendar days of completing your program

Understanding Your Visa Documents

- Your F-1 visa is used for entry into the U.S. only
- If your visa expires you do not have to leave the U.S.
- If your F-1 visa is expired and you want to travel outside of the U.S., you must renew your visa at an embassy outside of the United States before you can re-enter the United States.
- Once you enter the U.S., the CBP admission stamp in your passport and your I-20 are the documents that tell you how long you may remain in the U.S. All students should have a CBP admission stamp in their passport that says D/S. This means "Duration of Status". As long as you maintain your status as a student, you are eligible to remain in the U.S.
- **You may stay in the U.S. and study AS LONG AS YOU ARE A FULL-TIME STUDENT and have a valid I-20 from the school that you are attending.** If you withdraw or are dismissed from UCI Division of Continuing Education before the end date on of your I-20, you must depart the U.S. immediately.

Extensions of Stay

If you are unable to complete your program by the "program end date" on page 1 of your I-20, you must request an extension on your I-20. Please contact an International Student Advisor BEFORE the expiration date of your I-20 at immigrationofficials@ce.uci.edu.

Continuing Studies in Another UCI DCE Program

If you are interested in enrolling in a different UCI DCE program after the completion of your current program, you will need to submit a new application. For more information about our program offerings and requirements, please contact an Academic Advisor at academicadvising@ce.uci.edu

Medical Leave

If you are unable to attend your program on a full time basis due to a temporary illness or medical condition, you may be authorized for a reduced course load for a period of time not to exceed a total of 12 months. **You must speak with an Advisor and provide a valid doctor's note which recommends leave BEFORE you stop attending classes.** You must submit a valid note from a licensed medical doctor, doctor of osteopathy, or a licensed clinical psychologist within the U.S. and receive an approval notice for a reduced course load. Any absences you earn prior to reduced course load approval may negatively impact your F-1 status with our school. For more information, please email HealthandWellness@ce.uci.edu.

Travel Outside of the U.S.

Before you travel outside of the United States, please follow the directions listed on: <http://eslstudents.ce.uci.edu/traveling-outside-of-the-us.html>. The information from the link regarding travel applies to all UCI Division of Continuing Education students. You must be in valid F-1 status and have a travel signature on your current I-20. The date of the travel signature must be less than one-year-old. You must ensure that you will not miss class during your travel time and you must return to UCI Division of Continuing Education to continue your studies immediately following your re-entry to the United States.

Employment

Off-Campus employment is **NOT** allowed. On-campus employment is allowed for students who are in valid F-1 status. On-campus employment opportunities are limited and must be part-time only (less than 20 hours per week). For more information, please contact an International Student Advisor at immigrationofficials@ce.uci.edu.

Probation/Dismissal

In order to maintain your F-1 status, you must follow all attendance and academic policies of your program. Please be sure to read and understand all rules for academic probation and dismissal for your program. If you have any questions please contact an Academic Advisor at academicadvising@ce.uci.edu.

Vacation Quarter

You may be eligible for a one quarter vacation period if you are in good academic standing and have attended 3 consecutive quarters at UCI DCE. You must request and be approved for a vacation quarter **before** the end of the current quarter. You also must return to your studies at our school immediately after your vacation quarter.

Transfer in From Another School

If you are transferring-in to our school from a different school, you will be receiving a new I-20 within 3 weeks from the start of your program. If you need your I-20 earlier for travel or DMV purposes, please contact an International Student Advisor at immigrationofficials@ce.uci.edu.

Transfer out From Another School

In order to transfer to another school from UCI DCE, you must be transferred to a new school within 60 days of your program end date. If you withdraw from our program in the middle of the quarter you may not be eligible to transfer. If you are dismissed from our programs, your I-20 will be terminated and cannot be transferred in ACTIVE status.

Preparing to Leave the United States

Immigration regulations require you to leave the United States within 60 days of your program completion date. Students who do not complete their program due to dismissal or withdrawal do not receive the 60-day period and must leave the United States immediately.

**Please contact an International Student Advisor at
immigrationofficials@ce.uci.edu if you have any questions.**

We are happy to help you. Enjoy your studies!

Health and Wellness is here to support you!

Health and Wellness at UCI DCE

UCI DCE is a top academic institution in one of the safest cities in California. Whether you are studying in your home country or in Southern California, it is important to focus on your health and well-being. At UCI DCE, our students' health and wellness is our #1 priority. If you have any concerns, please contact your Student Wellness and Support Advisor, Michael Sciarappa, or any member of the DCE staff. We are here to help you succeed!

Staying Healthy

UCI Health Insurance

UCI DCE students are required to have health insurance. Students are automatically charged the UCI health insurance fee. If you wish to use your own insurance and not the UCI health insurance, please contact DCE-Services@uci.edu to request and submit an insurance waiver form.

The UCI health Insurance provider is Anthem Blue Cross. You can find the details for UCI health Insurance/Anthem Blue Cross [here](#). You can download your insurance identification card [here](#). If you need to seek treatment before you receive your member ID number, call Anthem Blue Cross at (800) 888-2108. If you are not in Anthem's database, contact Relations at (800) 537-1777 to confirm enrollment.

After you download and print your insurance ID card, carry it with you at all times. You will be asked for your insurance ID card when you go to a physician's office, urgent care center, hospital, or pharmacy.

Please note that our UCI health insurance plan has a \$100 deductible fee per person for using in-network doctors, and a \$200 fee per person for using out-of-network doctors per Policy Year. This means students would pay the first \$100 or \$200 once a year. If a student chooses to go see a doctor at UCI Student Health Center, you do not pay the deductible.

If you would like more information on how to access your insurance card, how to locate a doctor/provider, and access documents translated into your native language, please visit this [website](#).
