Hear more about
Jessica's experience

I had 10 years of financial industry working experience, and I chose to study at UCI because I wanted to improve my English for business and wanted to be at a university. We have professional teachers that not only have an education background, but also working experience to teach us about business culture.

~Jessica Wu, Taiwan, Business English

UCI might be one of the best places to go. The academic and career advisors helped me a lot, and I was well prepared for my academic and career paths. What I learned here I can definitely use in my further education and career.

~Fangming Wu, China, IGSP

At UCI it seems like there is always someone there to help you if you have questions or concerns. You will be a part of a very healthy student environment filled with friendly and outgoing people, where the possibilities for the both academic knowledge and extracurricular activities seem endless. I would definitely recommend other students considering UC Irvine to give it a shot.
