**AND**

email us to let us know: [healthandwellness@ce.uci.edu](mailto:healthandwellness@ce.uci.edu)

## If you've been near someone who has COVID:

If you feel fine and have no COVID symptoms:

- It's OK to go to class
- Wear a mask around others for 10 days
- Consider taking a COVID test

If you feel sick:

Take a COVID test:  
If it's positive, stay home and follow the steps above for "If you have a positive COVID test"

Do not come to class while you have COVID

We must still mark you absent

If you will have too many absence hours, talk to an advisor about getting a doctor's note and taking medical leave **as soon as you feel sick**
