What do you need to know about COVID-19 while you’re at UCI?

Rules for everyone:

- Get a vaccination and booster
- Do the Daily Symptom Check by email, app, or phone
- Do the Daily Symptom Check by email, app, or phone

If you have a positive COVID test:

- Answer “yes” to the Daily Symptom Check
- Call or email: Contact Tracing & Vaccine Navigation Services (CTVNS): (949) 824-3300 or contacttracing@uci.edu
- Tell them your name, UCInetID, and that you are a DCE student
- Tell your teachers you will be absent
- email us to let us know: healthandwellness@ce.uci.edu
- Do not come to class while you have COVID
- We must still mark you absent
- If you will have too many absence hours, talk to an advisor about getting a doctor’s note and taking medical leave as soon as you feel sick; advisors can tell you what information is needed in the note

If you’ve been near someone who has COVID:

- If you feel fine and have no COVID symptoms:
- It’s OK to go to class: Wear a mask around others for 10 days and consider taking a COVID test to be sure
- If you feel sick:
- Take a COVID test: If it’s positive, stay home and follow the steps above for “If you have a positive COVID test”

If you need help or have questions, email one of these people:

- Mike Sciarappa healthandwellness@ce.uci.edu
- Danny Hsing immigrationofficials@ce.uci.edu
