UCI University of
California, Irvine

WELCOME TO **IRVINE**

WORLD-CLASS UNIVERSITY, INCOMPARABLE LOCATION

Founded in 1965, UCI is renowned for its strength as a major research university. We are located in a dynamic U.S. business environment and in one of the most beautiful and vibrant regions in Southern California—Orange County, famously known as “The O.C.”

FIND YOUR FUTURE

OUR MISSION

.....

To offer life-enriching academic, professional, and cultural experiences to international audiences in environments specifically tailored to their needs. These experiences include:

- » superior English language and professional content instruction
- » comprehensive preparation for successful undergraduate and graduate studies
- » valuable academics for theoretical and real-world use in the form of certificates and other intellectual opportunities
- » a wide variety of support services and organized cultural activities, to foster international students' adjustment to and competence in participating in American life.

EXPERIENCE

.....

→ **ACADEMIC EXCELLENCE**

Courses to both expand your knowledge and help you succeed in your academic and professional goals

→ **CAREER ADVANCEMENT**

Immediately applicable global business skills that support your goals

→ **INDIVIDUAL ATTENTION**

Access to academic advisors, counselors, and valuable networking

→ **IMMERSION IN THE U.S.**

Professional and cultural activities, plus a chance to make friends

“I’m a former engineer from Brazil and I figured out that I had to update my skills. This program gave me the opportunity to be in touch with new technologies and most importantly, to be in contact with different cultures. As a project manager, we need to work with versatile teams and try to engage people all around the world. That’s why this is the best program.”

EDUARDO MOTTA, Brazil

FULLY ONLINE ESL

Boost your English language abilities through our remote ESL programs that will conveniently take place completely online, allowing you to study from anywhere in the world.

TEACHER TRAINING PROGRAMS

Whether a new or practicing instructor, UCI DCE will sharpen your skills via the latest methodology for teaching English as a foreign language (TEFL) or teaching academic content effectively in English (EMI).

Some of our previous trainees from the past 30 years have included the Ministries of Education in Chile, China, France, Japan, South Korea and more.

Program Options:

- ➔ **Accelerated Certificate Program in TEFL plus optional enrollment in an Internship Experience**
- ➔ **English-Mediated Instruction (EMI) Program** can take place at UCI or on-site at your institution
- ➔ **Customized teacher training**, including specialized methodology for primary, secondary and higher education

"I would recommend this program to everyone because here they can improve their English skills, and they can develop themselves and their career advancement. The classes were so interactive and so interesting. Here at UCI they really care about every detail. There was always someone to help us. I'm so glad that I had the chance to come to UCI and study here. It's a one-of-a-kind experience that I will never forget."

JOSEPHINE ISKANDER,
Lebanon
Intensive ESL

ACCELERATED CERTIFICATE

PROGRAMS (ACPs)

Gain the expertise, networking opportunities, and skill set to advance your career! Our ACPs enhance the value of your degree and update your knowledge base in your chosen field.

Professional certificates enable you to:

- » Enhance the value of your degree and hone your specialization in just three months
- » Develop a professional network of American and international colleagues
- » Gain experience in a targeted internship experience
- » Refine your English communication skills
- » Earn the opportunity to gain work authorization for one year through Optional Practical Training (OPT)

For more information, visit
ip.ce.uci.edu/acp

Areas of certificates include
Business, Data Science, Digital Marketing, Esports, International Tourism, Teaching English as a Foreign Language and more

97%

ACP TO OPT APPROVAL RATE

"This was my first experience studying remotely, but UCI managed it very well. It was easy to ask questions, and when class was over, we could reach out to our instructors. I made new connections from all over the world, and I particularly enjoyed that I could go at my own pace. The overall experience was very rewarding!"

EMMA SCARFE, France
ISEG Bordeaux
ACP Digital Marketing
& Communications
Remote ACP Learning

INTERNSHIP EXPERIENCE

Apply what you learned in your ACP during this two-part internship experience. Gain valuable job search and preparation skills during the internship workshop, and then take part in a 10-week unpaid internship for academic credit. We partner with local companies to help you build your professional network and increase your understanding of American business culture.

With an internship, you will:

- » Experience and immerse yourself in an American business culture
- » Strengthen your résumé and participate in the internship search
- » Explore new career options
- » Gain valuable experience, contacts and friends
- » Bring back innovative ideas to implement in your home country
- » Receive invaluable support from our dedicated internship staff

Internship experiences are available following all ACPs.

TEFL internships are offered within UCI's own Intensive ESL program.

For more information, visit
ip.ce.uci.edu/internships

PROFESSIONAL IMMERSIVE EXPERIENCES (PIEs)

Expand your knowledge and gain practical experience in just a few days or weeks! These short-term programs take place on our campus in the middle of the vibrant Orange County community and do not require a student visa.

For more information, visit
ip.ce.uci.edu/pie

Optional Practical Training

Take advantage of OPT and apply for temporary work authorization to gain employment directly related to your most recently-completed ACP.

A few of our internship partners:

MSC SOFTWARE, PART OF HEXAGON
Develops simulation software technology

RIA FINANCIAL
Specializes in money remittances

HAVAIANAS
Multinational Brazilian brand of shoes & accessories

*Students who take an internship between ACPs will also need to take an additional 6 academic units during their internship

EXPERIENCE UCI

PROGRAMS

ACADEMIC STUDY ABROAD PROGRAM (ASAP)

Take UCI undergraduate credit-bearing courses and enjoy an incomparable university experience through our Academic Study Abroad Program. Choose courses from a wide variety of majors and continuing education disciplines.

Sample subject areas available to ASAP students:

Anthropology
Art
Classics
Comparative Literature
Criminology, Law, and Society
Dance
Education
European Studies
Film & Media Studies
Global Cultures
History
International Studies
Linguistics
Music
Social Science
Sociology
Writing

*+ a variety of courses through DCE
including Business, Marketing,
Engineering, and more!*

"Right now I'm a student at Waseda University and my major is mechanical engineering. I wanted to take classes in subjects that I couldn't learn in Japan; I learned about international studies and sociology, which are totally different from my major. Students here have encouragement to study more, and I tried to do my best."

SHUNSUKE NAGATA, Japan
Waseda University
Academic Study Abroad
Program

Available for 1, 2, or 3 quarters. Graduate classes are also available with approval.
For more information, visit ip.ce.uci.edu/asap

EXPERIENCE UNIVERSITY RESEARCH (EUR)

Gain the international experience at UCI to put on your college applications or resume.

Our Experience University Research program gives you the opportunity to live on-campus, take non-credit courses with UCI professors and engage in different research methodologies and projects all while exploring Southern California through activities and events.

Sample electives include: Biology, Business, Computer Science, Engineering, Environmental Policy, Esports, and Law.

Tracks available for high school and university students.

Informative webinar series on Higher Education for international students also available throughout the year.

For more information, visit ip.ce.uci.edu/eur

For more information, visit
ip.ce.uci.edu/star/undergraduate

*Participation in the honors program provided by community college is required.

"My college counselor in high school recommended this program to me as the most effective way to prepare for my future college study, a great transition between high school and college. I'm so thankful to all the instructors who guided me and helped me open up to a new culture and environment. I see college education as not only the pathway to a great career, but a unique opportunity to experience a different vision of life."

YIXUAN WANG, China
Accepted to 11 universities!
